### Amador County

**Grantee:** Amador County Recreation Agency

**Amount Awarded:** \$95,721.00

**Grantee Contact:** Liz MacLeod

**Grantee Contact Phone Number:** 209-223-6359

**CalRecycle Grant manager:** Debbie Escobar

**Project Summary:** Recreation - Playground

Site - 22900 Canyon Ave. River Pines, 95675

CIWMB funding is requested in order to acquire the materials necessary for tire-derived playground surfacing at River Pines Park in River Pines, CA. Located in one of the more remote and rural areas of Amador County, River Pines Park was built in the 1960s out of handmade park furniture. The current condition of the park does not come close to meeting modern safety standards. The Amador County Recreation Agency is undertaking a revitalization project that would update this entire two-acre playground in an effort to increase children's safety and utilization of the park. The surfacing provided by this grant would lay the foundation for this larger revitalization effort, which also includes the removal of antiquated playground fixtures and other safety hazards.

*Total Awarded for County:\$95,721.00*

**CalRecycle Grant manager:** Marissa Cota

**Project Summary:** Recreation-Track

Site-1471 Ferry Street

Anderson, CA 96007

Anderson Union High School has served the needs of students and the community for almost 100 years. Throughout the years, modernization of the buildings continues but funds for athletic field have been very limited and most improvements have come from community workdays and donations. AUHS is the only remaining high school in our area still using a dirt track. Recently new lights were installed in our football stadium and we plan to replace the bleachers. Along with these improvements, an all weather track surface would benefit our students, students in our feeder schools, and the Anderson Community.
